Profile Summary:

- A fresher graduated in 2023 and completed “Python Full Stack Development” in PySpiders.
- To secure a challenging position in a reputable organization to expand my learning, knowledge and skills.

Software proficiency:

Language : **Python**, SQL, HTML, CSS, JS
DBMS packages : SQL Plus
Framework : Django
Application packages : MS-Office, IDLE python and PyCharm

Projects:

Project Name: Automatic Bus Ticketing System using RFID. Technologies: RFID, Arduino uno, python programming.

Objectives:

- To develop an automatic fare collection system in buses using RFID.
- To calculate the balance using destination cards.

Description:

- By looking over to the present ticketing system in public transport system, it is very complicated with respect to time and money
- Our project reduces time consumption and requires less man power and also solves problem of ticketing system

Python:

- Knowledge on python fundamentals.
- Good knowledge on single and multiple data types.
- Good knowledge on control statements and functions.
- Good knowledge on data types, OOPS concepts.
- Good knowledge on advance concepts.

SOL:

- Having knowledge on data types and constraints.
- Good Knowledge on SQL statements.
- Good knowledge on Sub-query.
- Good knowledge on Keys and Normalization.

HTML, CSS and JS:

- Good knowledge on HTML tags.
- Good knowledge on Attributes, Tables, Forms.
- Good knowledge on Selectors, Box model, Animations.
- Good knowledge on Functions, Hoisting.

Django:

- Good knowledge on Django template language.
- Good Knowledge on Model inheritance.
- I know the creation of Model form and HTML form.
- Good Knowledge on operators.
- I have basic Knowledge on Django.

Certification:

- Completion of Python, Oracle SQL and Web Technology in PySpiders.
- The Complete PYTHON Bootcamp by Udemy.

Educational Qualification:

Course	Name of Institution	Year of Passing	University/Board	CGPA
B.E – Electronics and Telecommunication	Siddaganga Institute of Technology	2023	VTU, Belgavi	7.25
PUC	Sri,Venkateshwara Junior college	2019	Andhra Pradesh Board	9.94
SSLC	AP Model School	2017	Andhra Pradesh Board	8.8

Personal Details:

Date of birth :10-02-2002

Language :English , Telugu and Kannada

Address :Anantapur, Andhra Pradesh
